

Industrial Visit of MBS Students

St. Xavier's College organizes industrial visit and social camp for students of all levels every year. The field based learning is one of the best ways to get the knowledge about anything. That enables the students to learn practically.

The students of **MBS (2015 Batch) second year (old)** were planned to go for an industrial tour to Qmed Pharmaceuticals, Bhaktapur and Jay Shree Krishna Diary Udhyog Panchkhal Kavre. As per the plan, they went for the field visit on June 9 and 10. They were found excited to go there and observe it practically. They even got chance to go there and ask the authentic persons and know about the various facts about the concerned industries. They came to know about the history, existing condition, its scope as well as problems and trend of those industries. It was really fruitful for the scholars to go there and get knowledge about the selected industries.

The visit was accompanied by the moderators from the college especially BBS and MBS department. The involved moderators were Mr. Satya Narayan Sardar, Mr. Prakash Sapkota, Mr. Prem Bahadur Mahat, Mr. Kapil Shrestha, and Mr. Top lal Panthi. The visit was planned for two days and one night which was successfully accomplished.
